INTARG® 2021 ONLINE IS A MODERN APPROACH TO THE IMPLEMENTATION OF AN ONLINE EVENT !

INTARG® is a tool of promotion of innovative products, technologies and services, as well as innovations that already entered the market and commercialization of which has already begun.

INTARG® is an online event of international scope enabling exhibitors to get international references, medals and awards for presented inventions. We are convinced that this will be the best solution for all participants of this event.

INTARG® is supported by leading Polish and international organizations. Updated information about honorary patronage and partners will be announced at www.intarg.haller.pl.

INTARG®2021 Online offers a modern, functional digital platform, enabling global reach, connecting by modern communication channel (chat, video, audio) to an unlimited number of participants, contact between exhibitors and visitors from all over the world in the virtual space. The platform also provides the opportunity to personalize the exhibition online stands thanks to the wide presentation of static and dynamic content and images.

AIMS:

- Creation of a platform for direct contact and cooperation of science, industry and business representatives
- Technology transfer
- Promotion and commercialization of inventions and innovations
