Where can we find and treasure knowledge?

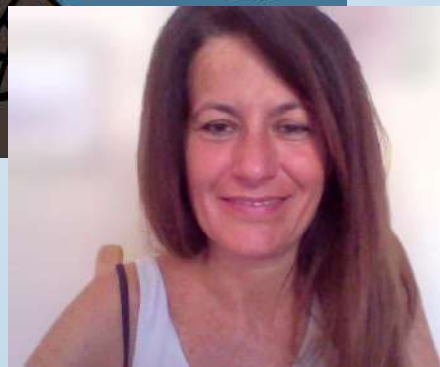

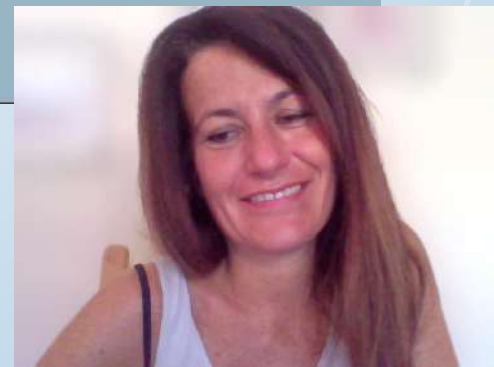

ALL WERE SILENT

UNTIL THE MOLE  
INTERVENED

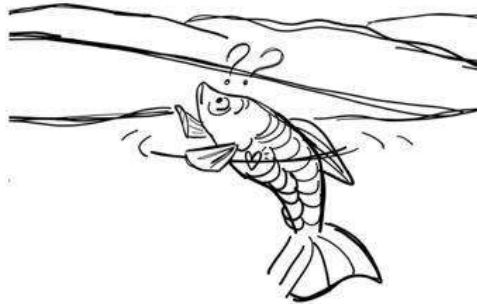

Bear starts the search  
Bear is the pioneer,  
the first in the field,  
the risk taker

Salmon swims from the Rivers  
to the Sea.  
Salmon connects rivers,  
water courses and seas,  
lives between water and air

Eagle flies to the Moon  
Eagle goes beyond the set limits,  
leaves the known for the unknown

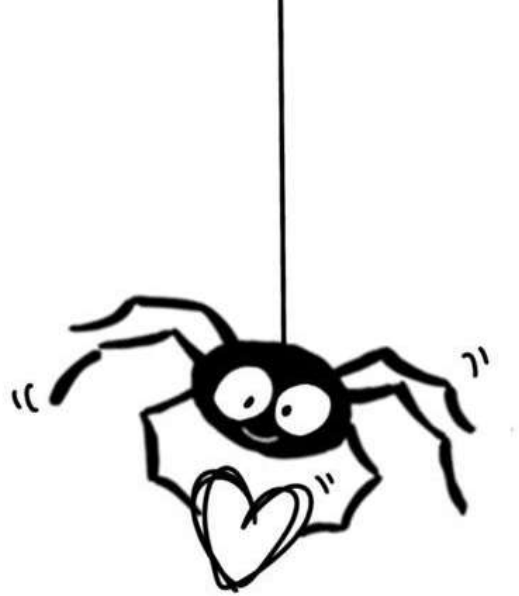

Mole answers the question,  
Mole follows her instincts  
and emotions,  
and she cares for the Earth

Spider connects with  
her loving and  
gentle attitude
